URBAN GARDEN

Campany Profile

Urban Garden Consultants is a leading provider of landscape, garden consulting services and periodic property maintenance with decade experience in the market.

We are dedicated to creating stunning, sustainable, and functional outdoor spaces for both residential and commercial clients.

Our services span across Tanzania mainland and Zanzibar, transforming urban landscapes into beautiful, green oases.

OUR MISSION

Our mission is to enhance urban environments by providing innovative and sustainable landscaping design and garden solutions, fostering a deeper connection with nature for city dwellers.

OUR VISION

We envision a future where every urban space in Tanzania mainland and Zanzibar is adorned with lush, vibrant gardens that promote well-being, environmental sustainability, and a sense of community.

Sustainability

We are committed to using eco-friendly practices and materials in all our projects.

Innovation

We incorporate the latest design techniques and technologies to create unique and functional outdoor spaces.

Customer Focus

Our clients' satisfaction is our top priority, and we tailor our services to meet their specific needs and preferences.

Expertise

With seven years of experience, our team brings extensive knowledge and skills to every project.

66

I'm absolutely delighted with the landscaping work done by Urban Garden. They were professional, timely, and communicative throughout the entire process. I highly recommend their services for anyone looking to upgrade their garden! — HUNAYZA MOHAMED

66

Their close follow up on how the plants are doing after buying to make sure all is well especially to newbies like me, is what I love most about Urban garden! — MIRABEL MRIMI
